**ELO Digital Office completes ALSTOM project**

**ELO Digital Office GmbH** recently completed a major document management project at ALSTOM.

Following in-depth analysis and comparison to CEYONIQ, Documentum, Filenet and IXOS, **ALSTOM** decided to implement **ELO Digital Office** solutions to cope with its massive amount of documents. More than 24,500 packed folders or over 2.071 kilometres of document filled shelves have been digitised, key worded and revision prove archived. **ELO Digital Office** integrated its modular ELO solutions to help **ALSTOM** coping with this mammoth amount of data. Initially integrated into SAP R/3, the project was completed in SAP PLM.

Acknowledged as a world leader in its core business activities, Power and Transport, **ALSTOM** is represented in 70 countries worldwide. The Group's Power business comprises the Power Turbo-Systems/Power Environment Sector and the Power Service Sector. The Group is also a leading player in the Marine Sector

**ELO Digital Office** is one of the world's leading developers of document management and enterprise content management systems. Over 550,000 users and thousands of companies benefit from ELO DMS solutions.

**ELO Digital Office** and its Australian Business Partners exhibit its solutions at this year's **Sydney CeBIT (May 9<sup>th</sup> to 11<sup>th</sup> - Hall 5 Stand T15)**
